NexRegen

FOR MEDICAL DEVICE MANUFACTURERS

Your U.S. Distributor to Independent Clinics

NexRegen is a distributor that brings U.S.-made medical devices to independent U.S. clinics. We generate demand, run the sale, and collect payment. You ship each order direct to the clinic and stay the manufacturer of record.

THE MODEL

You build it and ship it. We sell it.

One distributor account

NexRegen invoices the clinic, collects payment, and pays you. You ship the order direct to the clinic.

We carry the sale

Demand generation, demos, quoting, clinic invoicing, and first-line support are ours.

CLINICS WE REACH

Independent, owner-run practices

- Dental, orthodontic, and dental sleep
- Physician offices and in-office testing
- Veterinary
- Chiropractic, physical therapy, and sports medicine
- Podiatry and wellness

Selling into a different specialty? We build each target list around the clinics that buy your product.

HOW WE GET STARTED

Four steps to launch

No exclusivity needed to begin. You get a monthly report and judge us on results before committing to more.

STEP 1

Introductory call

Your product, current channel, pricing policy, and target clinics.

STEP 2

Scope and goals

Agreed target clinic types and 90-day goals.

STEP 3

Product training

Your product, labeling, and sales training before any clinic call.

STEP 4

Launch and reporting

Outreach and search campaigns, with a monthly report.

WHAT WE DO

More than resale

- Clinic sourcing and targeting
- Search-led demand generation and demo booking
- Training and protocol integration
- Patient-education materials
- Monthly report: pipeline, demos, closed sales

BRAND PROTECTION

Your rules, followed

- We follow your pricing and MAP policy
- No search ads on your brand name without written approval
- Claims stay within your labeling; we use your approved materials
- No online marketplaces or unauthorized resale

Looking for a U.S. distributor for your device?
